Katherine - here's your ID NYU215901 (NYU+calender year+month+instance... I don't know if Victoria has a format for these things but this is my format 😊) - I just created it, I don't know if it's immediately available but you can try; it most definitely will be available tomorrow.

Don't tell no one 😊

I am checking to see if Nestor can do it. I am not sure. I will let you know as soon as he gets back to me.

Subject: NYU number for Martville Mine

Hi Nancy & Barbara,

Is there any way I can get a NYU number assigned to the following facility this week?

Martville Mine

13181 Sanford Road

Martville, NY 13111

I would typically wait for Victoria to return, but we are trying to get this inspection report in response to a citizen complaint out asap.

Thanks!

Katherine
